2020 GOLF SEASON

Golf Course Update

Our grounds crew, led by Superintendent Jason Lacy, have been working very hard this off-season! Jason and his team have cleared many trees to open up teeing areas, enhancing the overall aesthetics of the golf course. Along with significant bunker cleanup and the addition of on-course amenities, such as new tee markers, hole signs, and driving range accessories the course will look as beautiful as ever this 2020!

Sahm's Smokehouse

The new restaurant at Harrison Hills, Sahm's Smokehouse (projected to open in March 2020) will feature delicious smoked meats, along with a diverse menu and a range of items. The bar will have 10 taps of Big Lug beer, brewed by Sahm's Restaurant Group's own Big Lug Canteen (Indianapolis).

PGA Jr. League

We are excited to announce we will be offering a PGA Junior League team at Harrison Hills this season! The Junior League will consist of practices Tuesday and Thursday nights during Summer, and matches against other local teams on Sunday nights. What's New for 2020

This has been a very exciting off-season for us at Harrison Hills. If many of you have been following updates over the past few months, you are aware the Harrison Steel family has hired Cohoat and O'Neal Management (as of September 2019) to help facilitate improvements and additions to your golfing experience at Harrison Hills!

First and foremost, a big returning amenity will be the restaurant for the 2020 season. Partnering with Sahn's Restaurant Group out of Indianapolis, we will be opening the brand-new Sahn's Smokehouse at Harrison Hills, scheduled to open soon in early March.

After your round of golf, you will be able to enjoy lunch or dinner in our beautiful setting around the back patio or in the new bar/restaurant area.

Adding to your golfing experience as well will be a brand-new fleet of electric Club Car golf carts set to arrive in early March.

We can't wait to open for this 2020 golf season. With both the golf course and restaurant being open to the public we are excited to see many familiar faces as well as welcome new golfers and friends to Harrison Hills! Opening day will be dependent upon weather, and we will send out communications as we get closer to an opening day in the Spring. Please feel free to stop by the Golf Shop and check out the clubhouse work in the meantime!

95th Anniversary Membership

We have had a tremendous response to our 95th Anniversary Membership drive, and thank all of you who have signed up!

If you have not had the chance to signup or would like more information please call the golf shop at (765) 762-1135. We will be continuing this membership deal through the month of February.

For those of you who have signed up, just a few reminders on the membership deal in advance of the upcoming season:

- A per person cart fee is applicable if you choose to ride. The cart fee is to be paid directly in the golf shop upon arrival and prior to teeing off.
- Please get in the habit of calling ahead for your group to reserve a tee-time and to let us know who will be joining your group.
- And as always, let's take care of the golf course! Fill divots, fix your ball marks and obey cart traffic limitations.
